After the wetlabs the groups will rejoin for a demonstration of OPU.

13:00–16:30 Lectures and discussions

- What are reasonable expectations with OPU?
- What are reasonable expectations with ICSI?
- What does it take to set up an ICSI lab?

► **Why attend AGPferd courses?** Because there will be instructors of different professional and geographical background with outstanding knowledge and experience on the subject tackled.

► **What is different in AGPferd events?** We work in small groups of mostly very experienced participants. Apart from lecturing our instructors present their knowledge and skills in practical demonstrations. Plenty of time is always reserved for discussions. All this under professional conditions, with good food and in a collegial and relaxed atmosphere.

All presentations are in English | *Speaker's bios available under www.agpferd.com*
